Camp Masters Popcorn Kick-Off
Sales Training with Michael Beck

Would You Like To Raise All The Money You Need For Your Scouts With Only One Fundraiser?

We can show you how to earn that money in ONE Weekend!

In addition, we can show you how to pass on that information to your scouts in such a way that it gives them skills to set their own goals and achieve a level of success that even they didn’t believe they could attain.

Michael Beck is a dad of two scouts in the Cradle of Liberty Council. He created a program that has helped many packs and troops stop worrying about funds and concentrate more on the FUN of Scouting. This program is responsible for helping the Cradle of Liberty Council go from $287,000 in fundraising sales to over 1.3 million in just 2 years and has enabled Pack and Troop 111 to go from $1,500 in sales in 2001 to over $80,000 in sales and become the highest selling unit in the country for three years in a row with over $30,000 per year to spend on the boys for new equipment, trips, summer camp, and community service projects. As sensational as these numbers seem, they are actual figures based upon proven results.

No matter what you currently do as a fundraising event, you will be able to take away something from the information presented. You will be able to pass on to your scouts the ability to develop better communication and public speaking skills, a greater degree of self-confidence, higher self-esteem, and the ability to earn their own way.

Each year Mr. Beck agrees to do a limited number of presentations within the Camp Master councils in an attempt to help every unit, every pack and troop, that would like to stop fundraising every month and get back to leading the scouts through their training. Most importantly, each and every one of you is invited to attend.

Unit Leaders, Popcorn Kernels, Parents: Everyone is encouraged to come out and learn how to make your unit’s popcorn sale the best it’s ever been.

**A Message from the Scout Executive**

Dear Scouters,

What a great year so far! We have more Scouts in our programs, camping attendance is up, and we participated in a National BSA pilot program for Family Scouting. Our Scouts are having a great time and experiencing the adventure of Scouting!

But guess what, the year is not over. We have lots more to do. Fall signup for Cub Scouts is fast approaching. This year we will offer the Cub Scouting program to boys and girls. This is huge, exciting, and a little daunting all at the same time. I hope you will join me in welcoming all Cub Scout age youth to participate in the life changing program that is Cub Scouting. Fall is also a great time to recruit new Boy Scouts, especially those Webelos that did not make the crossover this past spring. What better time to introduce the lifetime values of Scouting to new youth members than right now. Our new Scouts can help us celebrate our past, with its rich traditions and achievements, and also be a part of the future of Scouting, joining the millions of alumni that make Scouting a part of their family history and traditions.

Take a moment to reflect on how Scouting has enriched your life, and the lives of your family members. The values of Scouting so neatly fit together with good traditional family values. It is great wholesome fun that creates a lifetime of memories. Scouting values have made an indelible mark on the quality of life in America. Let’s make sure all youth get the good stuff that is Scouting.

Good Scouting to you and yours,

Jeffrey L. Purdy
Scout Executive

**SPECIAL THANKS**

Volunteers are the heart of Scouting and in the Buckskin Council we have a group who quietly serve you by making sure the newsletters and other key communications are prepared, labeled and mailed. It is important to let our leaders know who these folks are so you can thank them when you see them.

The person who leads the charge is Bonnie Starling! The April Courier helpers were Grace Tolbert, Art Altman, Phil Gaarenstroom, and Carleton Starr.

We always look forward to seeing these volunteers in the council office.

The Newsletter is folded on the last Tuesday of each month, between August and May, starting around 8:30 am and ending around noon. If you would like to join this great group of people, call the Scout Service Center at 304-340-3663 and let us know. We would greatly appreciate your help!!!!

West Virginia State Fair  
Learn - To - Earn Camporee  
August 17 - 19, 2018  
Registration is now open at www.buckskin.org

The Buckskin Council has been provided a wonderful opportunity for all Scout Troops, Venture Crews & Cub Scout Packs to attend the State Fair of WV for a very low price as we hold the annual Scout Day Camporee at The State Fair of WV August 17-19, 2018. Kick Off your Fall recruiting with a wonderful trip to the State Fair as Scouts have their very own day at the fair.

**Boy Scouts and Venturers**

Troops and crews camp just a few miles away at the base camp between a school and large working farm. Scouts are bused directly to the fair Saturday morning following flag raising. At the State Fair, Scouts must first earn their ride passes with an educational scavenger hunt. After completing their task each scout receives their patch and Mega Ride Passes to enjoy the Fair. Dinner is provided for the scouts at 5pm before they head back to base camp where they can work on their deserts for a Dutch Oven contest for the nights Cracker-barrel style campfire in sight of the firework finale from the Fairgrounds itself.

Please register by 11:59PM on August 3rd. After that date, there will only be 25 spots remaining, for $25 per person.

**Cub Scouts**

This year, for the first time, Cub Scouts are invited to participate all day Saturday. Cub Scouts will not be camping on site, but will receive admission to the Fair, as well as the event patch and the mega-ride pass to enjoy all day Saturday. Siblings and ‘tags’ may register as well to receive the rides pass and gate admission. Cub Scouts can check-in at the front gate entrance of the State Fair between 10:00AM-11:30AM on Saturday.

Please register by 11:59PM on August 13th. After that date, late registration will move up to $20 per person.

Book now to receive ALL of this for just $15 per Scout. The rides pass alone costs $25 if purchased at The Fair. Book now and print off additional information from www.buckskin.org. Please pass on this information to fellow Scout troops that could benefit from this amazing offer. This event is available to any Troop/ Crew/ Pack from any council. Seeing hundreds of scouts living up to the Scout Law in front of thousands of families has a lasting impact on fall recruiting for the BSA. Please register by August 13th to avoid late registration fees.

Are you ready for the challenge of following in the footsteps of the French-Canadian voyageurs, paddling across the same lakes and portaging your canoe and gear across the same portages as the historic voyageurs did? This is a wilderness canoe trip. A wilderness canoe trip in this area is not just a fishing trip or a laid-back vacation. Typical treks may cover 50 to 150 miles and take 6 to 10 days. With each crew is a highly skilled technician/instructor called an "Interpreter." Sometimes called "Charlie Guides", these people can make the difference between a wilderness ordeal and an exciting and wonderfully memorable experience.

Buckskin Council is sending 2 crews (6-8 per crew) to Northern Tier in the summer of 2019. We are looking for 16 registered Scouts, Venturers, and Scouters. Scouts must be 14 years of age, or 13 years of age and graduated 8th grade by June 9, 2019. All participants must complete the BSA Swim Test.

**Dates: June 9-16, 2019**  
**Tentative cost:** $1,650  
**Scholarships are available.**

Update Your Youth Protection Training by October 1, 2018

In early February, the BSA introduced newly updated youth protection training that is required for all volunteers before October 1, 2018. Even if they took the previous training prior to the February rollout, it will need to be taken it again.

The updated mandatory training includes three modules and a test that take 60 - 90 minutes to complete. Once completed, volunteers will not have to retake the training for two years.

In addition to updated training, the BSA recently announced new policies to ensure compliance with mandatory training requirements, including:

- As of January 1, 2018, no new leader can be registered without first completing youth protection training.
- As of January 1, 2018, no council, regional, or national leader will be allowed to renew their registration if they are not current on their Youth Protection Training.
- As of September 1, 2017, no unit may re-charter without all leaders being current on their Youth Protection Training. Registrars no longer have the ability to approve charters without full compliance.
- Effective June 1, 2018, adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as a leader, including completion of a criminal background check and Youth Protection Training. The 72 hours need not be consecutive.

Michael Beck Training
Would You Like To Raise All The Money You Need For Your Scouts With Only One Fundraiser? I Can Show You How!
If I were to give your Pack or Troop $3,000 in cash, would you be able to use it? What would you use it for?
I can give you the information necessary to not only earn that amount but much more!
What if I could show you how to earn that money in ONE Weekend?
No matter what you currently do as a fundraising event, you will be able to take away something from the information I present. You will be able to pass on to your scouts the abilities necessary to develop better communication and public speaking skills, a greater degree of self-confidence, higher self-esteem, and the ability to earn their own way.
Each year I have agreed to do a limited number of presentations within the Camp Master councils in an attempt to assist and try to help every unit, every pack and troop, that would like to stop fundraising every month and get back to leading the scouts through their training. Most importantly, I would like to invite each and every one of you to attend.
We will be holding a Popcorn Training delivered by our representative from Camp Masters Popcorn and Michael Beck on August 25, 2018 at the H.B. Wehrle Scout Service Center at 3:30 PM. Please register on our website http://www.buckskin.org/Events/Popcorn-Sales-Training-2018 . This event is required for your bonus commission for the unit.

We hope you are dreaming of a wilderness canoeing adventure and that the thought of traveling the canoe country excites you. North America’s Canoe Country, a vast series of navigable lakes and rivers spanning thousands of square miles, is one of the last great wildernesses on the continent. This boreal forest of waterfalls and bogs, bears and wolves, granite crags and waist-deep mud remains nearly as much of a wilderness as it was for the first fur traders who explored the area in the 1600s. Are you ready for the challenge of following in the footsteps of the French-Canadian voyageurs, paddling across the same lakes and portaging your canoe and gear across the same portages as the historic voyageurs did?

This is a wilderness canoe trip. There are no resorts or cabins, and aircraft and motorboats are restricted. A wilderness canoe trip in this area is not just a fishing trip or a laid-back vacation. Just as the voyageurs that travelled through this area in the 1700’s, modern day voyageurs are physically challenged as they travel through the woods by paddle and portage. Typical treks may cover 50 to 150 miles and take 6 to 10 days. With each crew is a highly skilled technician/instructor called an “Interpreter.” Sometimes called “Charlie Guides”, these people can make the difference between a wilderness ordeal and an exciting and wonderfully memorable experience.

Buckskin Council will be sending 2 crews (6-8 per crew) to Northern Tier in the summer of 2019. We are looking for 16 registered Scouts, Venturers, and Scouters. Scouts must be 14 years of age, or 13 years of age and graduated 8th grade by June 9, 2019. All participants must complete the BSA Swim Test.

Dates: June 9-16, 2019
Tentative cost: $1,650

Scholarships are available.

**Introduction to Outdoor Leader Skills**  
**September 21-22, 2018 — Camp Arrowhead**

**What is IOLS?** The Introduction to Outdoor Leader Skills (IOLS) course builds and expands on the concepts and themes introduced in Scoutmaster Positions-Specific Training and Varsity Coach Position-Specific Training and provides Scouters with the confidence to take youth into the outdoors.

- Gives adult leaders a practical introduction to the patrol method of a boy-led troop by teaching many of the practical outdoor skills they need to lead scouts in the out-of-doors. In addition, the teaching methods, activities, and games model the variety of teaching used in effective and engaging Scouting programs.
- Hands-on participation is the best learning tool, and this course models the techniques used by effective Scoutmasters, and other leaders in the Scouting program. Attendees will see and experience different aspects of how Scouting works while playing the role of Scouts in a troop.
- Participants will leave the training experience with a full understanding of how the patrol method operates, a feeling of comfort in working with the instructing their Scouts, and an increased level of confidence taking Scouts outdoors safely.

**What is covered in IOLS?** The course is designed to address a wide variety of topics such as Outdoor Ethics, Cooking, Fire Site Preparation & Building, Campfire Program, Interfaith Worship, Flag Ceremony and more.

**What is the cost to attend?** The course is $20.00 per person. This covers course material, cracker barrel on Friday night, along with breakfast and lunch on Saturday.

**When is IOLS training?** The next course will be September 21 - 22, 2018 at Camp Arrowhead. Check-in begins Friday at 6:00 pm. All participants are expected to arrive by 7:00pm. The course is planned to conclude by 5:00 pm on Saturday.

**What should I bring?** You should bring a Boy Scout Handbook, a sleeping bag or blankets, flashlight & batteries, personal items, a notebook and pen or pencil. You may bring your own tent or use a tent provide by the camp. Dress for the weather – the course goes on rain or shine.
