The Amazing Race Centennial Camporee
A Challenge 100 years in the Making!

The 100th anniversary of the Buckskin Council has arrived! In celebration of our 100th Anniversary, Buckskin Council will hold a Centennial Camporee. We are looking forward to a great camporee and hope that you will join us at Camp Kootaga on April 26-28, 2019! The cost per person is $17.

This is a BACKPACKING CAMPOREE. Participants will be walking to their campsite approximately one mile with all of their needed equipment for the weekend. Due to parking availability trailers will not be permitted onsite at the event. More information will be sent to you as activities are finalized and registration for this exciting event will be available at www.buckskin.org on March 1st. Please take a look at the information below and "Be Prepared" for a great time at the Camporee. Here are details about two of the many exciting events:

**Amazing Race Details**

As you are planning for the upcoming Buckskin Council 100th anniversary camporee please use the information below to help you plan for one of the camporee activities. Units are encouraged to have at least one team compete. Each team must furnish their own GPS unit for the competition. There are a few GPS units available, and if you need to borrow a GPS please contact David Leckie at 304-340-3663. Teams are comprised of at least 3 and up to 8 Scouts. Units must have at least 9 Scouts participating to register multiple teams. The race will be a GPS-based adventure testing navigation skills as well as Scout skills along the way. Teams will be registered and given a start time prior to Saturday morning. Scouts who are participating in the Amazing Race should have proper equipment and be in proper physical condition to complete a two-and-a-half-hour cross terrain hike. Each registered team is required to provide one volunteer adult leader to monitor one of the GPS activities for four hours on Saturday.

**Cardboard Boat Details**

As you are planning for the camporee one part of the Amazing Race is a cardboard boat competition. Teams must construct a boat before April 27th (at your Troop Meeting) that can transport three scouts at one time approximately 300 yards. Paddles and life jackets will be provided. Boat passengers must have passed the Swimmer’s test. Boats may only use the following materials for their construction. Any boat using other materials may be disqualified upon inspection. Points will be given for functionality, design, and creativity.

A Message from the Scout Executive

Dear Scout Volunteers and Parents:

It’s time to plan for camp! Every Cub Scout Pack, Scout Troop, Venture Crew, and Explorer Post should be making your choice on where you plan to attend your respective summer camp program. And we have a plethora of options and choices. Please look through this issue of the Courier to make sure your Scout unit picks the best summer program option for your youth.

Harris Interactive of New York designed a study on the impact of summer camp in the lives of Scouts. Here are a few charts that reflect the positive impact of Scout camps:

As you can see, the things most parents want for their children can be found at camp. It’s the best part of being a Cub Scout, Scout, Venturer, and Explorer. Let’s make sure every youth goes to camp and gets the very best Scouting experience.

Good Scouting to you and yours,

Jeffrey L. Purdy
Scout Executive

Volunteers are the heart of Scouting and in the Buckskin Council we have a group who quietly serve you by making sure the newsletters and other key communications are prepared, labeled and mailed. It is important to let our leaders know who these folks are so you can thank them when you see them.

The person who leads the charge is Bonnie Starling! February Courier helpers were Carleton Starr, Phil Gaarenstroom, Art Altman, Grace Tolbert, Kermit Tolbert, and Bill Evans. We always look forward to seeing these volunteers in the council office.

The Newsletter is folded on the last Tuesday of each month, between August and May, starting around 8:30 am and ending around noon. If you would like to join this great group of people, call the Scout Service Center at 304-340-3663 and let us know. We would greatly appreciate your help!!!!

Council Commissioner's Fireside Chat

Any month is a good month in which to ensure your unit’s leaders training is current, but March is a particularly good month in which to do so. Here’s a quick check list of training to review:

1. Verify that all leaders have completed the new youth protection training.
2. Ensure adult leaders have completed the appropriate position specific training (this training varies by position so troop leaders have training different than Crew leaders or Pack leaders just as do Commissioners and unit Committee members).
3. Stay current by ensuring your unit is represented at District Roundtables and that your leaders are taking full advantage of supplemental training when it is offered.

So why did I say March was a particularly good month in which to review the status of your leader training? It’s because March 9th is the date of this year’s University of Scouting to be held at WVSU Campus in Institute, WV. The University of Scouting is the one day annually when adult leaders will find an array of supplemental training available all in one place.

University of Scouting is not just for adults either. Both Webelos badges and merit badge sessions will also be offered during the day. Check out the courses being offered this year on the council web-site where you can also register to attend.

Yours in service,
J. Dan McCarthy
Council Commissioner

The Summit Experience High Adventure Program is a seven-day/six-night program running Sunday to Saturday. It consists of half-day introductory level experiences at each of the nine Summit high adventure venues.

In addition, each group will perform a half-day service project and have the chance to ride The Big Zip – our 3/4 mile zip line. In addition, each night (Monday-Friday), we will open the Scott Summit Center for activities, fun and socializing.

The Scott Summit Center incorporates small versions of our adventure sports venues.

Election results are as follows: Chapter Chief Mickey Hess, Chapter Vice Chief Nikolas Cameron and Chapter Secretary Ethan Grose. Kootaga Chapter, on behalf of all Takhonek Arrowmen we welcome you!

Section C4 Council of Chiefs

February 9th marked the first of Council’s meetings for Section C-4. The council of chiefs meeting is held approximately every three to four months. The purpose of this meeting is to share information about our section and region and is attended by our Lodge Chief and Adviser. The main topic of discussion was the upcoming Conclave on May 17-19 at Camp Mountaineer, Morgantown WV. We are up for an awesome time as our Lodge will join together with the other 7 lodges in our section for some Fall Out 76 type fun. You may even get to meet one of our National Officers! Be ready to compete against the other lodges in competitions and see who has the most lodge spirit. Some activities planned include the chance to experience a quarter mile zip line, West Virginia folklore, patch trading and much more! We encourage you all to attend and be ready to show the “Ohio” Arrowmen how to Conclave!

Letter from the Vice Chief of Program

My name is Samuel and I am the current Vice Chief of Program for Takhonek lodge. My role in the lodge calls me to administrate and produce the yearly program of the lodge. To accomplish my goal, I am head of several lodge committees including Service, Elongomat and Niamats, American Indian Activities, and Recruitment and Retention.

I would like to encourage everyone to attend and be actively involved in all Takhonek lodge activities. Our first activity of program for the year is our ICE and AIA weekend which will be held March 15-17 at Camp Arrowhead. This activity will focus on the Native American aspect of the Order of the Arrow in our lodge. Activities will include, ceremony and dance classes, making Indian regalia, and drum practice. This will be a great opportunity to have fun in fellowship with members of the lodge as well as learn a little bit about the culture we represent as an order. All members are encouraged to attend, and I hope to see you there.

Letter from the Vice Chief of Program

My name is Samuel and I am the current Vice Chief of Program for Takhonek lodge. My role in the lodge calls me to administrate and produce the yearly program of the lodge. To accomplish my goal, I am head of several lodge committees including Service, Elongomat and Niamats, American Indian Activities, and Recruitment and Retention.

I would like to encourage everyone to attend and be actively involved in all Takhonek lodge activities. Our first activity of program for the year is our ICE and AIA weekend which will be held March 15-17 at Camp Arrowhead. This activity will focus on the Native American aspect of the Order of the Arrow in our lodge. Activities will include, ceremony and dance classes, making Indian regalia, and drum practice. This will be a great opportunity to have fun in fellowship with members of the lodge as well as learn a little bit about the culture we represent as an order. All members are encouraged to attend, and I hope to see you there.

CUB SCOUT SUMMER CAMP OPPORTUNITIES

Now is the time for parents, families and leaders to begin thinking about your summer camp plans. Several opportunities will be available for your Cub Scout this summer.

Adena Day Camp will be at Camp Arrowhead the week of June 10-14. Scouts arrive at camp each morning with a brown bag lunch and experience a day of fun and adventure which includes swimming, BB shooting, archery, boating, crafts, games and much more.

Webelos Weekend will be June 14-16 at Camp Arrowhead. Webelos and their adult partners will participate in activities designed just for Webelos. There will also be two nights of camping under the stars as these scouts prepare to make the transition to a troop.

All Cub Scouts can also attend Cub Scout Resident Camp to be held July 5-7 at Camp Arrowhead. A fun filled weekend of Cub Scout activities await those who participate. This camp includes overnight camping for the Cubs and their adult partners. Activities include all those fun outdoor things Cubbies like to do: games, crafts, swimming, boating, BB shooting, archery, slingshot, and more. Complete details about all of the Council’s Cub Scout Summer Camps will be released shortly. Check the Council’s website for registration information. Make this a fun-filled camping experience for your Cubbie.
THE MEMORIAL TRIBUTE FUND
A lasting way to remember someone you care about. The Buckskin Council offers an excellent way to remember a Scout, family member, Scout volunteer, friend or community leader, through the Tribute fund. All funds received go to the operating cost in the year they are given. Anyone may, however, designate the donations for a specific purpose.

BALOO is intended for new Cub Scout leaders or parent volunteers who have minimal camping experience but want to plan and carry out entry level outdoor experiences for the pack. The format for this training is an outdoor camping adventure. The course is designed to address a wide variety of topics which need to be considered when preparing for a Cub Scout outdoor activity. Some of the topics include Aims & Purposes, Planning, Campfire, Health & Safety, Equipment, Cooking, program ideas, and more.

Prior to taking the practical component, participants must have completed the online component. Both the online and the practical, must be completed in order to fulfill the “BALOO Trained” status. In the event the online component is not completed prior to the practical, the trained status is withheld until both components are successfully completed. The online portion is available through the BSA LearnCenter. Log onto my.scouting.org and select the BSA LearnCenter image on the right side of the home page.

The next course will be March 29 & 30 at Camp Arrowhead. Check-in begins Friday at 6:30pm. All participants are expected to arrive by 7:00pm. The course is planned to conclude by 6:30pm on Saturday. The course is $18.00 per person. This covers course material, cracker barrel on Friday night, along with breakfast and lunch on Saturday.

You should bring a sleeping bag or blanket, flashlight & batteries, personal items, a notebook and pen or pencil. You may bring your own tent or use a tent provided by the camp. Dress for the weather – the course goes on rain or shine.

If you have questions about this course, please contact Sue Williams at 217-741-0900 or buzy2buzy@gmail.com.

2020 Summit Experience
June 14-20, 2020

Not sure which activity best suits you? Try them all with the Summit Experience program. It is the only program that lets you try all The Summit’s high adventure activities—BMX, skateboarding, mountain biking, zip lines, canopy tours, challenge courses, climbing, shooting sports and more—in one setting.

The Summit Experience High Adventure Program is a seven-day/six-night program running Sunday to Saturday. It consists of half-day introductory level experiences at each of the nine Summit high adventure venues.

In addition, each group will perform a half-day service project and have the chance to ride The Big Zip – our 3/4 mile zip line. In addition, each night (Monday-Friday), we will open the Scott Summit Center for activities, fun and socializing. The Scott Summit Center incorporates small versions of our adventure sports venues.

Buckskin Council will be sending crews to the Summit Experience in the summer of 2020. We are looking for registered Scouts, Venturers, and Scouters. Scouts must be 13 years of age by September 1, 2020. All participants must complete the BSA Swim Test and will be rechecked on arrival at the Summit.

Dates: June 14-20, 2020
Tentative cost: $875

Saturday evening’s dinner will be by pack. Participants should bring food, cooking equipment and related items to be used to prepare, cook, eat and cleanup from this dinner activity. This cooking will be done in the campsites.

Packs should also bring the fixings to prepare a dutch oven dessert during the dinner time. Then during our cracker barrel time Saturday evening, we all will get to taste what you and the other packs have prepared.

Saturday evening at the dining hall we will have a special guest presenter. You will not want to miss this special presentation during the Webelos-ree.
