SPECIAL THANKS
Volunteers are the heart of Scouting and in the Buckskin Council we have a group who quietly serve you by making sure the newsletters and other key communications are prepared, labeled and mailed. It is important to let our leaders know who these folks are so you can thank them when you see them.

The person who leads the charge is Bonnie Starling! April Courier helpers were Phil Gaarenstroom, Carleton Starr, Art Altman, and Grace Tolbert. We always look forward to seeing these volunteers in the council office. The Newsletter is folded on the last Tuesday of each month, between August and May, starting around 8:30 am and ending around noon. If you would like to join this great group of people, call the Scout Service Center at 304-340-3663 and let us know. We would greatly appreciate your help!!!!
A Message from the Scout Executive

I have smelled the campfire, and swallowed some of the lake water. I am hypnotized by the very essence of what camp is all about. Outdoors, under the stars, bullfrogs sounding, cool mornings, hot afternoons, dinner at the dining hall, singing silly songs, swimming, hiking, canoeing, fishing, all of these things stir my senses, and bring back fond memories.

There is something almost mystical about camp, especially if you are a Cub Scout or Scout. Our youth only get a few chances to experience the camping experience and it is so exciting. You see, as a youth, all of the camp experiences are enhanced. They are larger than life. They fill their senses completely with all that is good about Scouting; the outdoors, the physical challenges, the camaraderie, the great adult role models, the mysteries of nature, fun, adventure, excitement, and more.

And it’s just waiting for them, right now. A great camp experience can be found at one of the many camps we have available this summer. Each camp has special programs planned for this summer, and your Cub Scout, Scout or Venturer can get their chance at having a lifetime of fond memories. But we have to get them there. We cannot hesitate to invite each and every youth member to go to camp. Ask them as many times as it takes to get them to sign up. Don't let the youth in your sphere of influence miss their chance. It may be one of the most important things you can do for them.

See you at Camp,

Jeffrey L. Purdy
Scout Executive

CONTINUOUS SUMMER CAMP is a new way of doing summer camp. It uses a long-weekend format rather than the traditional week-long camp. Troops arrive on Thursday evening (check-in is 6pm-9pm) and camp through the Sunday Highlight Event (about 4pm). They may camp one, two or all three weekends and attending 2 weekends give the youth the same time in camp as a week-long camp.

The emphasis is on the Patrol Method, youth leadership, traditional Scout skills and inter-patrol activities. There will also be opportunities for scouts to work on skill awards (like Paul Bunyan or Mile Swim) and merit badges. Each weekend has a different emphasis. While the program targets a certain age group each weekend, scouts of all ages will find something to do every weekend.

We are also trying to hold the cost per camper down, so dining hall service will not be provided. Troops will cook all meals in their campsites, which also provides cooking advancement opportunities.

**WEEKEND 1 - June 27-30  Emphasis on New Scouts through 1st class.**
Focus on Scout skills and traditional program. Patrol Method is emphasized through a number of games. Merit Badge opportunities for older scouts

- Saturday- Dedicated Merit Badge Instruction, Free Time.

Buckskin Council’s 2020 Summit Experience
June 14-20, 2020
Not sure which activity best suits you? Try them all with the Summit Experience program. It is the only program that lets you try all The Summit’s high adventure activities—BMX, skateboarding, mountain biking, zip lines, canopy tours, challenge courses, climbing, shooting sports and more—in one setting.

The Summit Experience High Adventure Program is a seven-day/six-night program running Sunday to Saturday. It consists of half-day introductory level experiences at each of the nine Summit high adventure venues.

In addition, each group will perform a half-day service project and have the chance to ride The Big Zip—it’s our 3/4 mile zip line. In addition, each night (Monday-Friday), we will open the Scott Summit Center for activities, fun and socializing. The Scott Summit Center incorporates small versions of our adventure sports venues.

Buckskin Council will be sending crews to the Summit Experience in the summer of 2020. We are looking for registered Scouts, Venturers, and Scouters. Scouts must be 13 years of age by September 1, 2020. All participants must complete the BSA Swim Test and will be rechecked on arrival at the Summit.

Dates: June 14-20, 2020
Tentative cost: $875

Commissioner’s Fireside Chat

As you’ve no doubt noticed, Scouting has significantly changed over the last decade. The pace of change has certainly accelerated over the last few years, and as much as many of us would like it to slow down, that’s unlikely to happen. As the author Jay Asher said, “You can’t stop the future. You can’t rewind the past. The only way to learn the secret...is to press play.”

So how is it we “press play” in Scouting? How do we keep up with the change and ensure we are delivering the correct program for our youth? Two answers come immediately to mind:

• Ensure you have completed position specific training for your position in Scouting
• Ensure your unit is regularly attending Roundtable meetings

While position specific training provides the in-depth training to ensure your success in your particular Scouting position, roundtables are the way to keep current on the day to day events going on in Scouting and our council. They also provide a key source of program ideas that will help in delivering a quality program to your youth. Aside from those benefits, Roundtables provide an opportunity to meet and exchange ideas with Scout leaders who are in the same role as yourself, thus providing an opportunity for you to benefit from the experience of others.

It’s often said in Scouting, any challenge you may face as a unit leader has been faced by someone else. All you need do is learn from them. Roundtable attendance is one of the ways in which you can do just that, so I encourage you to take full advantage of the Roundtable opportunities provided in your district so you too can keep pressing play and ensuring your Scouts are receiving the best program possible.

Yours in service,
J. Dan McCarthy
Council Commissioner

Popcorn Sales Training with Michael Beck
Required Unit Attendance for 2% bonus

To: All Council Members, Unit Leaders, Parents, and Volunteers
From: Michael Beck, Special Advisor for Camp Masters Popcorn
Subject: Would You Like To Raise All The Money You Need For Your Scouts With Only One Fundraiser?
I Can Show You How!

If I were to give your Pack or Troop $3,000 in cash, would you be able to use it? What would you use it for?
I can give you the information necessary to not only earn that amount but much more!

What if I could show you how to earn that money in ONE Weekend?

In addition, I can show you how to pass on that information to your scouts in such a way that it gives them skills that you’ve only before witnessed in professional adults, to set their own goals and achieve a level of success that even they didn’t believe they could attain.

My name is Michael Beck and I am a dad of two scouts. I am also the creator of a program that has helped many packs and troops stop worrying about funds and concentrate more on the FUN of scouting. This program is responsible for helping the Cradle of Liberty Council go from $287,000 in fundraising sales to over 1.3 million in just 2 years and has enabled Pack and Troop 111 to go from $1,500 in sales in 2001 to over $80,000 in sales and become the highest selling unit in the country for three years in a row with over $30,000 per year to spend on the boys for new equipment, trips, summer camp, and community service projects. As sensational as these numbers seem, they are actual figures based upon proven results.

No matter what you currently do as a fundraising event, you will be able to take away something from the information I present. You will be able to pass on to your scouts the abilities necessary to develop better communication and public speaking skills, a greater degree of self-confidence, higher self-esteem, and the ability to earn their own way.

Each year I have agreed to do a limited number of presentations within the Camp Master councils in an attempt to assist and try to help every unit, every pack and troop, that would like to stop fundraising every month and get back to leading the scouts through their training. Most importantly, I would like to invite each and every one of you to attend.

I hope to see you there.

Michael Beck

If you are in a troop that has not had an election for more than a year or you know of a troop that has not had an elections please contact your chapter election team thru the chapter LEC. If you’re not sure who to contact on the chapter level feel free to reach out to our Recruitment and Retention Chairman Daniel Cook at dcook2@takhonek.org or the adult advisor Steve Young at syoung@takhonek.org. Our goal is to reach each and every unit in our council and we need your help to reach that goal.

Takhonek Lodge, we are still rolling forward at a very fast pace. Our events have been spectacular, and if you’ve missed them, don’t worry, there are still plenty of lodge and chapters events left. This May should entail our most exciting event yet, Conclave. For those who have never been, you’re really missing out on all kinds of fun. This year is special though, it is the first conclave of Section C4 since the merger of C4A and C4B and thus should be twice as fun! There will be patch trading, a ¼ zip line, shotgun and rifle shooting, WV myth- and folklore-based activities, lodge competitions, and many Fallout 76 based activities, as well as much, much more. Be sure not to miss out on the experience of a lifetime this May at Camp Mountaineer in Morgantown, West Virginia. For more information about Conclave 76, head over to the conclave.oa-c4.org.

Spring Fellowship June 7th-9th

Spring fellowship is also approaching fast, so be sure to register and attend our first fellowship held at Camp Kootaga located on 79 Camp Kootaga Rd, Walker, WV 26180. Let’s continue our amazing year as we hope to see you there. Reminder about Fox Pass and registration. If you have paid for the Fox Pass, you won’t have to pay for Spring Fellowship, but must still register for the event and select Fox Pass as your method of payment.

Summer Camps

Summer camp season is approaching and will be here before you know it. Are you attending a summer camp within the council or somewhere else? No matter where you are going, as members of the Order of the Arrow we aim to promote summer camp programs and camping throughout our councils. Encourage those in your troops to get excited and start planning on the summer camp events. For more information on available summer camp programs visit our Council website at www.buckskin.org.

Congratulations

We would like to congratulate Clayton Comer, our current Vice Chief of Administration, for being awarded the Josh Sain Memorial Scholarship for 2019. This scholarship was established in 1998 to honor the spirit and the memory of Josh Sain, a former National Vice Chief who died in a automobile accident during his term as Vice Chief. The Scholarship can be awarded to OA members who have served as Section Chiefs, Region Chiefs, or National Chiefs. Clayton is the first member of the order to receive this scholarship from the state of West Virginia and Takhonek Lodge. More information about the Josh Sain Memorial Scholarship can be found at https://oa-bsa.org/program/awards/josh-sain-memorial-scholarship.

Cub Scout Day Camp at Coonskin Park

It's a fun and exciting camp experience! Cub Scout day camp gets Cub Scouts outside doing activities with friends and it’s the first step in the camping progression. Scouts spend each day visiting a variety of program stations. At the end of the day they return home. It’s a place for Cub Scouts to test themselves, participate in new activities, make new friends and learn something along the way and have a TON OF FUN.

Cub Scout Day Camp will be held June 10th to 14th at Coonskin Park in Charleston. Kara Cvechko, Director and Alicyn Spencer, Program Director are working to put together a great week of programming. Cub Scouts participate in many varied activities including, archery, BB-guns, sling shots, field sports, nature, arts and crafts, Scout skills, and a variety of other events. It's a fun-filled time of challenging Cub Scout activities, exciting adventures and new friendships. All areas (especially range activities) place a special emphasis on safety procedures. Day Camp is open to all Cub Scouts who will be going into 1st through 5th grades in Fall 2019. Those entering 1st grade must be accompanied by an adult partner.

Parents, grandparents, and other adult volunteers are always welcome to be part of the day camp. All volunteers need to complete youth protection training. A BSA Annual Health & Medical Record, Parts A & B is also required.

Registration is now open online for this week at a cost of $55 per Scout or sibling and $10 for Adult volunteers and walkers. Early registration ends May 10th at 11:59 PM, after that the cost will go up.

**Kootaga Leadership Dinner**

Tommy Bowden, former football coach, and a two-time Atlantic Coast Conference Coach of the Year was the featured speaker on March 28 at the 50th annual Buckskin Council Kootaga District Community Leadership Dinner.

All proceeds support the Boy Scout program in the Kootaga District and the Buckskin Council. Scouting in the area has seen many changes over the past few years. One thing that has not changed is the program's purpose of developing youth in the area and the community's commitment to support those endeavors. In Scouting, young people start with their best right now selves and grow into their best future selves. It's fun, hands-on learning and achievement that puts youth in the middle of the action and prepares them for today and for life. Every week, millions of Scouts raise their hands and make a promise— not a pledge to an organization—but a lifelong commitment to themselves, their families, and the community they share.

**Kootaga Pinewood Derby**

Over 100 local Cub Scouts participated in the annual Pinewood Derby on March 23 at the Grand Central Mall in Vienna. This year's event featured a Mayor's race at noon. Vienna Mayor Randy Rapp challenged other area officials to join the race. Cub Scouts have been racing every year at the Grand Central Mall since 1975.

Popcorn Sales

As we are getting ready for summer it is not too early to start thinking about your unit program calendar for next school year. Some of the first concerns that are discussed when a new Pack or Troop forms or new leaders come into a pack are: What activities do Scouts participate in? How are they paid for? When are the activities? There is a single solution to all these concerns and it is easier than you might think. SELL POPCORN. That’s it really. Scouting is a year-round program and our Scouts want to participate in activities year-round. To do these things, there are some key steps. First the unit needs to figure out what activities they are going to do and the dates. This involves putting together a yearly calendar. Figure out how much the activities for the year will cost. Don’t forget general supplies, for instance if there is going to be Pizza at the court of honor how is it going to be paid for? Not to mention how is the unit going to buy the awards for the court of honor. After your calendar and budget is complete figure out how much it is going to cost for a Scout to participate in all of these wonderful activities for the year. Come up with a dollar amount each Scout should sell to pay for these activities. A Scout can generate enough money through selling popcorn one time in the fall to pay for everything he will experience throughout the year. Mom and Dad please read that again, your Scout will participate in all of the activities that Scouting has to offer at no expense to you if they meet their unit goal for popcorn sales. So all unit committees need to meet, figure out a budget, and help Scouts SELL POPCORN TO SUPPORT THE PROGRAM!

There will be a special sales training in July to talk with units about the upcoming sale. Details will be emailed to each unit as soon as time and locations are confirmed.

Not sure which activity best suits you? Try them all with the Summit Experience program. It is the only program that lets you try all The Summit’s high adventure activities—BMX, skateboarding, mountain biking, zip lines, canopy tours, challenge courses, climbing, shooting sports and more—in one setting.

The Summit Experience High Adventure Program is a seven-day/six-night program running Sunday to Saturday. It consists of half-day introductory level experiences at each of the nine Summit high adventure venues.

In addition, each group will perform a half-day service project and have the chance to ride The Big Zip—our 3/4 mile zip line. In addition, each night (Monday-Friday), we will open the Scott Summit Center for activities, fun and socializing. The Scott Summit Center incorporates small versions of our adventure sports venues.

Buckskin Council will be sending crews to the Summit Experience in the summer of 2020. We are looking for registered Scouts, Venturers, and Scouters. Scouts must be 13 years of age by September 1, 2020. All participants must complete the BSA Swim Test and will be rechecked on arrival at the Summit.

HIKE TO FIND ALBERT AND THE MOTHER TREE  
SEPTEMBER 14, 2019------900am-5:00pm

The American Chestnut Foundation (TACF) is breeding chestnut trees for the ability to survive the blight disease, which killed almost all our American chestnut. TACF’s goal is to confer on American chestnut the ability to thrive in our nation’s woodlands, as it once did.

Currently, with the help of Summit Bechtle Reserve (SBR) staff, TACF maintains a grove of hybrid American chestnuts at the Consol Bridge just below Camps A and B. This grove is the home of the Albert tree known for fame at the 2017 National Jamboree. The “I Found Albert” tokens will be awarded to scouts who participate in this event and find Albert.

The American chestnut forest that existed pre-1900 consisted of gigantic trees with diameters up to 8 feet. Once known as the “Redwoods of the East” the trees provided every need to the early American settlers in Appalachia. Food for family and livestock, firewood, split rail fencing, cabins and furniture. When the blight destroyed the trees it was considered the greatest ecological disaster in the history of the United States. Over 4 billion trees were killed in one generation of people. SBR is smack dab in the center of this ancient chestnut range and can with the help of TACF and scouts of Appalachia be the premier site of restoring these trees.

There are some few surviving American chestnut known as “Mother Trees” scattered throughout Appalachia and TACF has been invited to search the SBR forest for these trees. Because of SBR’s location and size I fully believe we will find several Mother Trees. Once a Mother Tree is located it can be adopted by a patrol, troop, OA Lodge or any scout group and registered in that group’s name in the national TACF database. Nuts, pollen and sprouts from the Mother Tree will be transplanted into a Germplasm Conservation Orchard (GCO) at Summit Bechtle Reserve. There can also be GCO’s at other scout camps. These GCOs will become heritage orchards where the American chestnut gene pool can be maintained and studied.

TACF’s dream is that scouting in West Virginia will work with TACF scientists to create GCO’s across West Virginia and return these magnificent giants to our forests.

WHAT WILL HAPPEN SEPTEMBER 14, 2019

1. Come prepared to hike with water, trail lunch and in a group with a smart phone.
2. 9:00 AM TACF scientists will describe how to recognize American chestnut trees, collect tree samples and demonstrate the smart phone Tree Snap App.
3. 10:30 AM hike to a pre-determined location at SBR where chestnut flowering has been observed and has the best chance of having “Mother Trees” and collect chestnut tree samples.
4. 2:00 PM to 5:00 PM Return to base during this time period and submit tree samples. As time allows search for “Albert” and depart for home. Samples will be analyzed at TACF laboratory and results mailed to each group.

Please RSVP to Sam.muncy@msesinc.com telephone 304-457-4531 by 26 August 2019. Participation is limited to first 50 individuals
Thank you.
